PROBLEMAS DE HORACIO LUIS MUSANTE

Nació en Buenos Aires en 1917. Su obra se estima en mas de 250 problemas, 15 de los cuales integran los álbumes FIDE. Fue un gran buscador del contenido temático y colaboro con A. Ellerman en la revista que este dirigía (Caissa), en composiciones conjuntas y en fallos conjuntos. No muy abundantes, desafortunadamente, sus notas en Caissa y en Ajedrez hicieron gala de gran sobriedad y de la misma precisión técnica presente en sus composiciones.

Fue nombrado Juez Internacional para la Composición en 1965.

No hubo mas noticias de él tras su radicación en Italia, según recuerda Luciano W. Cámara.

Conjuntamente con Arnoldo Ellerman participó en diversas competencias y reuniones de análisis relacionadas con la composición en sus diferentes géneros, las que se desarrollaban habitualmente en el Club Argentino de Ajedrez de Buenos Aires.

Actualmente y desde hace mas de 40 años se reúnen compositores e integrantes de La Peña del Mate Ayudado, situada en la sede del club antes mencionado.
